

BED PRAKASH PANTHI

Blackpool North, Lancashire FY41BE | +944 07352128796 | panthinabin341@gmail.com

Summary

Accomplished React & Next.js Developer with a proven track record at Mero padhai, Pokhara, specialising in developing web applications and optimising APIs. Demonstrated expertise in building reusable UI components and working within Agile teams, with proficiency in React Query and React Hook Form. Previous experience as a Front-end designer intern involved creating functional web apps, enhancing user experience through wireframes and prototypes, and improving usability via UX testing. Core competencies include frontend development, JavaScript, Redux, Jest, and backend technologies such as Spring Boot and PrismaORM. Career aspirations include advancing skills in AWS and contributing to innovative projects that leverage cutting-edge technologies.
